Tell us about your residence

Electric Heat	<input type="checkbox"/> Yes <input type="checkbox"/> No
Electric Heat Source :	<input type="checkbox"/> Wall Unit, Baseboard, Ceiling <input type="checkbox"/> Forced Air Electric <input type="checkbox"/> Heat Pump <input type="checkbox"/> Hydronic
Central Air Conditioning:	<input type="checkbox"/> Yes <input type="checkbox"/> No
Existing Windows:	<input type="checkbox"/> Single Pane <input type="checkbox"/> Double Pane <input type="checkbox"/> Storm

Program Eligibility

- ◆ **Manufactured home must have a permanently installed electric heat system capable of heating the entire dwelling.**
- ◆ Central Lincoln PUD reserves the right to inspect completed work. Rebates will be paid only on work that meets Central Lincoln PUD specifications. If not familiar with specifications please contact us.

Qualifying Energy Efficiency Improvements

Weatherization rebates apply only to upgrades on existing manufactured homes. The following energy efficiency improvements qualify for a rebate:

- ◆ Insulation (Attic, Under Floor)
- ◆ Duct Sealing – Work Must be done by a PTCS certified technician

When work is complete, contact Central Lincoln PUD at 1-888-883-9879 to schedule an inspection.

Rebate requests must be submitted within 6 months after purchase

Rebates - Subject to Availability of Funds

◆ **Insulation:**

- ◆ Attic Insulation Existing R-11 or less, installed to Weatherwise specs - \$0.20 per sq/ft
- ◆ Floor Insulation Existing R-11 or less, installed to Weatherwise specs - \$0.20 per sq/ft

- ◆ **Duct Sealing** – Rebate is \$350. Pressure guided duct sealing must meet PTCS requirements and be performed by a PTCS certified technician. *A copy of the PTCS Duct Sealing Certificate & NW Duct Sealing Form must accompany this application*

(Please check whether the home is Super Good Cents, Energy Star, or Neither)

- Super Good Cents / Energy Star Homes
- Non-Super Good Cents / Non-Energy Star Homes

Check all weatherization measures you are requesting a rebate for:

- Attic Insulation - Existing R-Value _____ R-Value added _____ Area (sq. ft) _____,
- Floor Insulation - Existing R-Value _____ R-Value added _____ Area (sq. ft) _____,
- Duct Sealing – See requirements above

- Self Installed Contractor Installed

Inspection – When Central Lincoln PUD receives your rebate application, you will be contacted to schedule an inspection of the completed work. **IMPORTANT: All measures must be installed according to Central Lincoln PUD’s specifications. If you or your contractor is not familiar with the program specifications, please contact us prior to beginning work. 1-888-883-9879**

Project Completion

Rebates will be paid when Central Lincoln PUD has received a complete Weatherization Rebate Application, complete contractor invoice, and the work has been inspected and approved by a Central Lincoln PUD representative. Please submit completed forms and invoices to:

**Central Lincoln PUD
Attn: Energy Efficiency Rebates
4120 SE International Way Suite A211
Milwaukie, OR 97222**

Upon signing this agreement, customer acknowledges the following:

This rebate offer may be discontinued at any time by Central Lincoln PUD. Central Lincoln PUD disclaims any warranty, whether expressed or implied, regarding the product listed above for any materials or labor associated with its installation, maintenance, repair, or any energy savings associated with its use.

I understand that the measures must be installed to Central Lincoln PUD’s specifications, and that I, or my contractor, have reviewed the specifications prior to beginning work. It is the home owner’s responsibility when selecting a contractor to ask for proof of insurance and license that meet the statutes and rules of the Oregon Construction Contractors Board (CCB). It is recommended to check qualifications before work begins.

I understand the above and certify that I am a customer of the Central Lincoln PUD and the above mentioned products will be installed at the location indicated above.

Please allow 8 – 10 weeks for processing.
